

**Believe in yourself  
because you can do it!**

If at first you  
don't succeed,  
try, try again

**What is Perseverance?**  
Perseverance is not giving up.  
It means trying again and  
again until eventually, you get  
it right. It means having  
persistence in doing  
something despite difficulty.

*Never say I can't do it  
because you will get  
there soon!*

**Staying with a task,  
not giving up.**

**As a baby,  
everybody has to  
persevere to learn  
to walk and talk.**
